### 3c. Your Transits List

A Transit is where a planet in the heavens today forms an aspect to a planet in your natal chart, or passes through a House in your natal chart, or a sign. Thus a new energy is brought into your life. Transits highlighted in red are major; transits highlighted in yellow are very significant. The rest vary in intensity. There are of course 'before and after periods when the influence of a transit is felt. Look at your graphed transits to get an idea of the timing of the bursts of the very different energies.

### 3e. Progressed Chart compared to Natal Chart

A day in a life tells us something about a year in a life. So, where the planets are when you are aged nine, tells us something about what will happen in your 9<sup>th</sup> year, for example. This is because of the mathematical relationship between the Earth's rotational period (= a day) and its orbital period (= a year). This is a robust and reliable predictive indicator. The Progressed Moon takes about two-and-a-half years to go through a sign or house. The Progressed Moon is very good for predicting how our basic emotional drives will show up in the year ahead.

#### 4. Your Western predictive Astrology Chart by Megastar (Swiss Huber School)

##### Your current Radix circular Progression (Predictive)

The Huber Age Point circumnavigates the chart in 72 years, starting from the ascendant and moving counter-clockwise. It is an indicator of the energies we will pass through in our journey to potential individuation, in our egoic psychological unfoldment. The AP moves counter-clockwise from the Ascendant passing through the houses and signs as it progresses. The AP does not only pass through the signs and houses in your natal chart, it also forms aspects to the planets in your natal chart as it progresses.

There is also a 'Nodal Age Point' which charts the call from your soul on the astral: its call to you through dreams, subliminality, synchronicity, intuitions, impulses and visions.

The AP is shown by the black cross in a circle on the rim of your natal chart

The Nodal AP is shown by the red cross in a circle on the rim of your birth chart.

### **ECLIPSE OF TRANSITING MOON (5th House)**

8 Oct 2014

### **TRANSITING SATURN TRINE RADIX CHIRON (1st House to 4th House)**

Exact 12 Oct 2014

Opportunities abound for you to discover your true gifts and to find avenues of expression. If you are already aware of your gifts then you can now move forward in the knowledge that the timing is right for you to share your talents with the world. Others will respect your right to follow your true path. This is a joyful time when you have just the right blend of wisdom and understanding and introspection and action.

### **ECLIPSE OF TRANSITING SUN (12th House)**

23 Oct 2014

### **TRANSITING SATURN CONJUNCTION RADIX NEPTUNE (1st House)**

Exact 24 Oct 2014

During this time you are cut off from other people. Negatively this can be because you are feeling lonely and failing to reach out to others, or positively because you are using the time for some serious contemplation. Beware of your own gloom at this time. You may feel that many areas of your life have failed leaving you with an overwhelming sense of hopelessness. There is a reason for these negative thoughts and feelings. This transit is demanding that you see your life in a different light, a more spiritual rather than physical light. At first this can be depressing as you realise the hopelessness of pursuing purely personal ambitions which have no greater purpose. However, by the end of the transit you will have incorporated a larger and more selfless view and may have a clearer vision for the future. Contemplation and meditation can prove very useful during this time.

### **PROGRESSED MOON ENTERING SCORPIO (12th House)**

24 Oct 2014

Lasts two and a half years. You have reached an introspective stage of your life; one where you need to focus on matters close to home. This can be a need to turn your attention to house renovations, family matters and personal health and fitness or you could be required to concentrate on a work project, one that requires research and attention to detail. You may also feel the need to reassess your personal finances ensuring that your income matches your future requirements. This phase can also indicate a more personal, emotional time. Perhaps you are undergoing a significant change. You may feel an urge to reflect deeply on the meaning of your life. People, who you knew in an earlier period of your life, re-appear. In fact memories of past events resurface frequently during this phase. This can be a good opportunity to gain greater understanding of your personal history and help pave the way for a more joyful life. Meditation and other spiritual techniques may be of benefit. Ensuring that you respond appropriately to the external pressures is important, but it is also imperative that you confirm that you are living your life truly in accordance with your own needs. In previous years you may have felt the need to please others, but now you need to focus on your own goals. You need to find your own sense of purpose. If your life is in step with your inner sense of purpose then you are likely to find time to concentrate on the tasks at hand, finding the resources needed to further your plans. Some minor readjustments may be necessary. However, if you have been living a lie, letting others dictate, then you may face some major upheavals during this phase. You can take comfort in the fact these changes will ultimately free you to live your own life to the fullest. This is an ideal phase for any task that requires investigation, attention to detail and concentration. A business

enterprise, research project or course of study may be of benefit. Right now you have the opportunity to build-up your personal resources - financial, emotional, intellectual and spiritual.

**TRANSITING NEPTUNE SQUARE RADIX MERCURY (4th House to 1st House)**

Exact 27 Oct 2014, Exact 5 Dec 2014

At this time you are open to deception and confusion in your communications with others. It is a poor time for making decisions that require hard, logical thinking. Therefore it is best to leave any contract or business decisions until after the transit has ended. Information is just not what it seems. You may feel nervous, on edge and distrustful. You may find your attention wandering. It would be better if you could find a creative pursuit which enables you to slow down and relax - something which requires imagination rather than logic.

**PROGRESSED MOON SQUARE RADIX MOON (12th House to 3rd House)**

Exact 4 Nov 2014

This is an emotional time, during which your feelings are not as reliable as usual. The trouble is that you are likely to overreact right now. Close personal friends and relatives, in particular women, are stirring up your feelings. Perhaps you are hurt by their actions, or perhaps they are reacting to you. Your life is changing and you feel insecure. These changes are likely to be occurring in your family and home life. You may even move house during this period. On the other hand the changes may be taking place within. However, these changes are manifesting in your life, your perceptions are unlikely to be correct right now. You would be well advised to think before you speak. It is far better to take some time to carefully consider your words and actions until you are feeling more secure. In the meantime you could enjoy reading moving stories, going to the cinema or spending time with young children and animals. Counselling may also be beneficial, if you feel that it would help you adapt to your changing relationships and environment.

**TRANSITING SATURN SEXTILE RADIX URANUS (1st House to 10th House)**

Exact 4 Nov 2014

You now have the opportunity to balance a healthy sense of responsibility with the ability to embrace new and exciting concepts. Areas of your life which may have become a little staid are now enlivened. Whereas in the past you may have experienced obstacles to moving in new directions, you now have an understanding that breakthroughs are imminent.

**PROGRESSED MOON SEXTILE RADIX VENUS (12th House to 2nd House)**

Exact 5 Dec 2014

Romance and good fortunes are highlighted during this period. If you are married you may rekindle feelings of love and togetherness. It's time to create tender moments. If you are single, you may fall in love with someone, either an old flame or someone new. Your powers of attraction are strong right now, so be sure to use your influence well. You and your loved one are quite starry-eyed, so relax and enjoy sharing intimate and loving occasions. Affection and pleasure are the name of the game.

**TRANSITING SATURN ENTERING SAGITTARIUS (1st House)**

23 Dec 2014, 18 Sep 2015

Your family members also notice your efforts at home, and you receive the support of those you love.

**PROGRESSED MOON SQUARE RADIX JUPITER (12th House to 9th House)**

Exact 25 Jan 2015

Everything seems a little larger than life right now. You feel as if all of your dreams and wishes are coming true now. In some ways you are correct. Life is full of many rewards right now. However, you need to make choices rather than try to take on every opportunity that comes your way. If you are not careful you may well overindulge and overestimate your own abilities. As a result your life may become imbalanced. You need to make sure that you do not neglect one area of your life as you pursue your own goals. You need to balance your home, family, work and marriage, with your own interests and appetites. The problem is that you are currently going through a somewhat egotistical stage. On the positive side you are eager to achieve your goals and are quite capable of doing so. Gifts, rewards and awards may well come your way. You may also attract warm wishes and gifts from friends, lovers, colleagues and family members. However, if you are not careful you squander your opportunities by taking things or people for granted. As a result you over-commit yourself, neglect loved ones and run out of energy. A time of short-term excess can result in loss of all that is meaningful. If you can slow down and appreciate the gifts and those who give then you are most likely to gain some enduring benefits. However, if you remain self-righteous and continue to indulge your every whim then you could fritter away this period of your life.

**TRANSITING PLUTO TRINE RADIX NORTH NODE (3rd House to 6th House)**

Exact 31 Jan 2015, Exact 8 Jul 2015

Destiny beckons for now is the time for you to reap the rewards of past actions and receive benefits which enable you to achieve your life purpose. This could involve opportunities including meeting with a highly-significant person or a group of people to help you on your path or an event which will change the shape of your future. These changes could affect you at a deep level.

**TRANSITING SATURN TRINE RADIX JUPITER (1st House to 9th House)**

Exact 1 Feb 2015, Exact 25 Apr 2015, Exact 27 Oct 2015

This is a positive time when you can achieve a balance between your need for security and your need for exploration. You have the ability to make plans that propel you closer to your goals. You may be fortunate in attracting the resources that you need for your purpose during this transit. You would do well to make the most of your opportunities. Like a professional mountain climber, you can plan all aspects of your life ready for the journey, and steadily make it to the top. Confident in yourself and your ability to reach your objectives, you are capable of compromise. Others respect your achievements and abilities. This is the transit of hard-earned rewards either reaping or sowing, particularly in business dealings and your professional life.

have become dated. You may begin a writing project such as a diary, journal or writing your life history. It is a good time for any project which requires patience and thought, although your efforts will not necessarily be instantly rewarded. It is also a good time for study or for making any decisions which require careful thought.

Exact 10 Mar 2015, Exact 26 May 2015

You have opportunities now to express yourself in new ways. You may change your image and the way that you relate to other people.

**ECLIPSE OF TRANSITING SUN (5th House)**

20 Mar 2015

No special contact to your chart

**ECLIPSE OF TRANSITING MOON (11th House)**

4 Apr 2015

No special contact to your chart

**TRANSITING CHIRON OPPOSITION RADIX PLUTO (4th House to 10th House)**

Exact 9 May 2015, Exact 10 Aug 2015

Someone or something is compelling you to face deeply-buried emotional hurts from the past in order to heal them and move into a new and more joyful period of your life. This may not be intentional, and if you are not careful you find yourself locked in a power struggle in which you are fighting for supremacy. It is important that you act with integrity, otherwise the result could be devastating. It is possible that you and others are not conscious of the real issues. Outwardly your life may go on as if nothing has happened, but deep within your psyche changes are occurring which seem almost too overwhelming. It is as if a volcano is erupting deep within you with somewhat frightening effects. It is best to consider carefully before taking any action that may result in regret.

**TRANSITING SATURN ENTERING SCORPIO (1st House)**

15 Jun 2015

You have an intense commitment to work and joint enterprises. You are a resourceful and determined worker.

**TRANSITING NORTH NODE CONJUNCTION RADIX MARS (11th House)**

Exact 21 Jun 2015

Cooperation in work. Joint constructive efforts. Pulling together. Connections or associations with males. Sexual ties.

**TRANSITING JUPITER TRINE RADIX SUN (9th House to 2nd House)**

Exact 7 Jul 2015

Life is usually abundant during this transit. You are happy and confident of achieving your goals in life, impressing those around you with your enthusiastic approach to life and benevolence towards others. You may have the chance to shine in your life because of your optimism and self-confidence, which is noticed by others. It is important that you make the most of the opportunities presented during this time, and not let them slip through your fingers.

**TRANSITING JUPITER SQUARE RADIX NEPTUNE (9th House to 1st House)**

Exact 8 Jul 2015

You are currently vulnerable to deception and disillusionment because the energies of this transit lead you to discard the more practical side of your nature in favour of a fantasy world. Your common sense has flown out of the window and you yearn for greener pastures. You may find yourself daydreaming of better times, or even taking up a fanatical religious pursuit. Therefore this is not the best time for

making life-changing decisions or entering into agreements which demand clear judgement.

**TRANSITING JUPITER QUINCUNX RADIX SATURN (9th House to 4th House)**

Exact 9 Jul 2015

During this time you are forced to let go of obstacles which stand between you and your life goals. They can be your own inner obstacles such as fear or inflexibility, or it can be friends, possessions or loved ones who refuse to come to your assistance. This can be a painful experience at the time, but later you will feel the exhilaration that comes with a lighter load.

**TRANSITING JUPITER ENTERING VIRGO (9th House)**
